To Whom It May Concern:

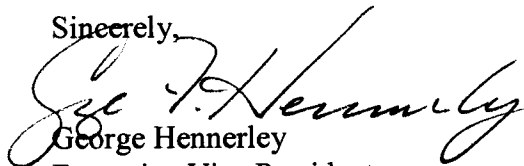

Please accept this letter as an introduction for the Lake Geneva Fishing Guide Service, Mr. Tom Billing, Proprietor

Mr. Billings (Tom) runs a first class fishing guide service with years of experience in the fine art of finding fish in the waters of beautiful Lake Geneva.

Throughout the years of his membership in the Chamber of Commerce, I have not received a single complaint or negative comment about him or his business. He has guided many groups, corporate and charitable, and has done so in a professional, first class manner. No matter the size of your group, he brings to you an on water experience you'll long remember.

If the recipient of this letter would like additional information regarding the Lake Geneva Fishing Guide Service, please call me at your convenience.

Sincerely,

George Hennerley
Executive Vice President
